Mother of All Garage Sales Was A HUGE Success!

THANK YOU to everyone who participated in the MOAGS on August 4. Whether as a seller, a buyer, a patient driver, a committee volunteer, a sponsor, a charity sponsoring sale, a food truck, a non-profit at the park, or City of Everett Parks staff, we appreciate your participation! We lucked out on the weather and hosted thousands of people in our lovely neighborhood.

Items of Note -

- We added another portapotty at Drew Nielsen Park and one down on Alverson, and we could still use more!
- We will continue to try and fine tune the "after MOAGS pick up" process with Northwest Center. Perhaps specific hours. Stay tuned and thanks for your patience.
- Mark your calendar for **Saturday, August 3, 2019!** It will be our **10th** annual Mother of All Garage Sales!

The Northwest Neighborhood Association (NWNNA) is a non-profit community organization founded by neighbors to build community. The NWNNA aims to encourage connections between neighbors and foster civic involvement in our community.

The Drew Nielsen Park Clean Up is Saturday, September 15th from 9 a.m. to 1 p.m.!

Come beautify our lovely neighborhood park and meet your neighbors.

Got an idea for community building in the neighborhood, please let us know!

Please remember to bring non-perishable food to our monthly meetings. We alternate giving between the Volunteers of America and the Everett Community College food pantry.

Gratitude from and for your neighborhood steering committee!

Looking back at old newsletters in the preparation for this one, the Northwest Neighborhood has been continually led by people who care about where they live and how they act in this world.

The greatest strengths of our neighborhood lie in our caring neighbors! Kudos to us! Northwest has much to be proud of. Let's continue to lead the city in what a supportive, giving and friendly community looks like. Have a wonderful end of summer and fall!
